Section 4) There is hereby levied a tax at the rate of two cents (\$0.02) per one hundred dollars (\$100) valuation of property as listed for taxes as of January 1, 2021 for the purpose of raising revenue listed as Cleveland County Property Tax and Cleveland County Vehicle Tax in the Water General Fund in Section 2 of this ordinance. This rate is based on an estimated total valuation for property for the purposes of taxation of \$4,642,781,448 and an estimated collection rate of 98%. The estimated rate of collection is based on the actual rate of collection for fiscal year 2020-2021. Due to the revaluation by Cleveland County, the Local Government Budget and Fiscal Control Act requires the statement of a revenue neutral tax rate as part of this budget ordinance. The revenue neutral tax rate adjusted for growth would be \$0.0184 per one hundred dollars (\$100) valuation of property.

Section 5) Copies of the Budget Ordinance shall be furnished to the General Manager (Budget Officer) and Finance Officer to be kept on file by them for their direction in the collection and disbursement of funds. Said officials are hereby authorized to receive and expend funds as herein set forth in accordance with the General Statutes of the State of North Carolina.

Section 6) The following authorizations and restrictions shall apply to the adoption and enactment of this budget:

- A. The General Manager shall be authorized to reallocate departmental appropriations among the various objects of expenditures as he believes necessary.
- B. The General Manager shall be authorized to effect interdepartmental transfers in the same fund not to exceed ten percent (10%) of the appropriated monies for the department whose allocation is reduced.
- C. The General Manager shall be authorized to effect transfers between capital projects that are budgeted in the same capital project fund.
- D. The General Manager shall be authorized to transfer any remaining balances from any Capital Project upon its completion to the corresponding reserve fund.
- E. The budget adopted herein may be amended to reflect encumbrance balances for expenditures properly committed but unpaid at the end of the prior fiscal year, and increasing fund balances appropriated by a similar amount.

Adopted and approved this the 8th day of June 2021.
