# CLEVELAND COUNTY WATER FY 2021-2022 SUPPLEMENTAL BUDGET ORDINANCE ORDINANCE NO. 8-2021

WHEREAS, in accordance with applicable provisions of the North Carolina Local Government Budget and Fiscal Control Act, Cleveland County Water (the District) has enacted the FY 2021-2022 Budget Ordinance, providing for the annual operating budget of the District for the stated fiscal year: and,

WHEREAS, in support of enactment of the Budget Ordinance various legislative actions are necessary and required of the Board of Commissioners to effectively implement the District's budget plan; and,

WHEREAS, the Board of Commissioners now desire to act on the needed measures as referenced herein in accordance with said Fiscal Control Act and the applicable provisions of the North Carolina General Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF CLEVELAND COUNTY WATER (THE DISTRICT) OF LAWNDALE, NORTH CAROLINA:

Section 1. The following actions are hereby adopted and approved in support of the District's FY 2021-2022 Budget and the continued financial operations of the District subsequent thereto:

- a) Effective with the July 2021 billings, water rates shall remain the same.
- b) The number of full-time positions authorized for employment by the District is confirmed as set forth in the Personnel Summary for a total of 40 positions. See attachment.
- c) The District's fee schedule effective July 1, 2021 is attached.
- d) The Employee Benefits Summary effective July1, 2021 is attached.

Section 2. The General Manager (Budget Officer) and Finance Director of the District are hereby authorized and directed to cause the provisions of Section 1 of this ordinance to be properly implemented in accordance with provisions of law and the policies of Cleveland County Water. Further, the General Manager is authorized to delegate, as may be appropriate, the responsibility for logistical implementation and administration of the various components of this supplemental budget ordinance. All provisions of Cleveland County Water, the Cleveland County Water Fee Schedule and related District policies, and any other applicable District documents, revised or modified by the provisions of this ordinance, are hereby affirmed and authorized for revision and recording where needed or required.

Irrigation Systems - Commercial and Residential

All irrigation systems installed where water is provided by Cleveland County Water (CCW) must be connected to a separate irrigation meter installed by CCW. Cleveland County Water requires the installation of a backflow assembly prior to the initiation of water service. At a minimum and consistent with the Cleveland County Water's backflow policy & North Carolina Administrative Code "Rules Governing Public Water Systems", CCW will require the installation of Reduced Pressure Zone (RPZ) device for adequate water system protection. To inquire about fees and obtaining an irrigation meter, call (704)538-9769. Once installed, please contact CCW backflow department at (704)538-9769 for an inspection of backflow prevention assembly. Once the device has passed inspection, the meter will be unlocked & activated by CCW. An initial test of the Reduced Pressure Principle (RP) backflow assembly and annually thereafter, is required. The customer is responsible for this testing & maintaining the backflow preventer. The customer shall be responsible for submission of the Backflow Device Testing Form to the District within 30 days of testing. All testing must be conducted by a certified tester on Cleveland County Water's approved tester's list or by CCW backflow department.

Testing & Approved Tester's information shall be forwarded to:
Cleveland County Water
