

Cleveland County Water
Broad River Water Plant and Distribution Improvements Project
Request for Qualifications for Engineering Services

Cleveland County Water is a Sanitary District located in Cleveland County, North Carolina with over 22,000 active water service accounts and serving a population of approximately 60,000. The District is working to secure funding from USDA for the Broad River Water Plant and Distribution Improvements Project. The District is seeking professional engineering services consistent with North Carolina General Statute 143-64.31 for the Broad River Water Plant and Distribution Improvements Project to include the following scope of work:

- PER, Design, bidding and construction oversight of a New 6.0 MGD Water Plant in Southern Cleveland County as well as a new Elevated Storage Tank south of Boiling Springs and associated Distribution Improvements from just South of Boiling Springs to the Patterson Springs and Mid Pines communities.

For a further description of work and the formal Request for Qualifications packet, please see the District's website at www.clevelandcountywater.com under the Finance/Purchasing tab on the left-hand side of the webpage. Qualifications packages must be submitted as detailed in the Request for Qualifications packet by 12:00 pm on Friday, August 30, 2024 and mailed to the attention of:

Cleveland County Water
Attn: Brad Cornwell, General Manager
PO Box 8, Shelby NC 28151

Please limit your proposals to 20 pages (not including front or back covers, table of contents and cover letter). Awards will be made to the responsible and most qualified firm whose qualifications are aligned with the District's project and strategic objectives. Evaluation and selection factors include:

- Familiarity with the project, CCW, and Cleveland County, NC.
- Experience with the water system improvement projects as outlined with the current firm/team and USDA funded projects and reports.
- Professional personnel
- Experience
- Availability

The District reserves the right to accept a firm that is most advantageous to the District. Information concerning the project along with scheduling and needed site visits (should your firm desire) may be obtained by contacting Brad Cornwell at brad.cornwell@clevelandcountywater.com

The District is an Equal Opportunity Employer, and encourages small, minority and female-owned businesses to submit qualifications.
