

RESIDENTIAL COMPLEX (IN DISTRICT)

Effective July 1, 2026

AVAILABILITY

Metered water service will be provided to consumers within the CCW District for residential use, where access to existing facilities is feasible. Amounts detailed below are per billing period.

RATES

Residential in District (100-213)	
Customer Charge	\$12.00
All Gallons	\$3.91

CONDITIONS

New service generally requires a separate water meter to serve each dwelling, townhome, duplex, apartment complex, or other such residential consumption unit. For residential units under a master meter arrangement such as an apartment complex, each account shall be considered to carry one customer charge (\$12.00) per unit in the complex, regardless of individual or aggregate consumption.
